

A woman with blonde hair in a bun, wearing a dark blue top, is speaking into a microphone at a podium. The background is a bright, out-of-focus scene with a large map of the United States visible on the left. The text "Bring Your Story To Life!" is overlaid on the right side of the image.

Bring Your Story To Life!

LIVE**

Live Event A/V Solutions

PCD Live is a team of skilled sound, video, and lighting technicians who specialize in live event production.

Our mission is to help you create the most professional, powerful, and seamless event possible so that you can focus on the emotional impact of your message.

We do Sound

Video

A detailed view of a stage lighting rig. The structure is a dense network of metal trusses and beams, supporting a vast array of spotlights and lighting fixtures. Several bright beams of light are directed downwards, creating a dramatic effect. The lighting is a mix of cool blue tones at the top and warm yellow and white tones at the bottom. The background is dark, making the illuminated rig and light beams stand out prominently.
